SHORT TERM PLANT HIRE INSURANCE

In response to an increased Demand in the Plant Hire Sector JCB Insurance and Aviva have developed a product called JCB HireMax.

Centralis Site Solutions is excited to offer this service to our customers under the following guidelines:

Why should you take out this cover?	Parts are expensive; for example, steering assembly damage £375 - £500, typically damages to handrails, wheels and tyres.
What does it cover?	Accidental damage caused by your trained operatives during normal (or agreed) working hours within the UK during the hire agreements. IMPORTANT: A copy of a valid IPAF card for the operator must be provided to Central Site Solutions Limited prior to use; failure to do this will make the insurance invalid (iii).
Is there an insurance excess?	- You will pay the first £500 in respect of fire, lightning, explosion and other aerial and/or spatial devices or articles dropped from them. - You will pay the first £500 in respect of flood. - You will pay the first £1000.00 in respect of theft, attempted theft (ii) and malicious damage (iv). - You will pay the first £500 for all other Damage including Third party claims, paint spillage/overspray/plaster/cement type items, damage caused by non-observance of daily maintenance (i).
What are the exclusions?	<u>Exclusions:</u> a) Tower Cranes b) Portable Hand Tools c) Non-Mechanical plant (such as scaffolding, site accommodation, shuttering skips, etc) d) Plant Hirers with an unacceptable credit score e) Excluded types of machinery: 1. Wood Shredders, timber shredders, timber hammer mills or the like other than towable-chippers that are fitted with CESAR 2. Forestry machinery including timber harvesters and forwarders 3. Machinery used for underground mining operations, tunnelling, working on or under water. 4. Machinery used for Peat Extraction or toxic waste processing/treatment 5. Refer to Central Site Solutions who in turn will contact JCB insurance if in doubt as to whether a specific machine falls within this exclusion
Definitions:	(i) Daily and weekly equipment checks on batteries etc. (ii) Safe storing of the equipment and its attachments when not in use. (iii) Trained operators being defined as suitably qualified operators to IPAF/CITB standards (iv) Malicious Damage: a. Damage resulting from gross negligence of hirers operators/employees/subcontractors b. Damage caused by overloading

	c. Damage whilst using the machine other than for its designed purpose d. Damage by fire when hot work is being undertaken e. Damage due to corrosion by chemicals f. Damage whilst it is on hire/loan to/or used by any other party g. Wilful Damage
